Introduction to Ordering

Coatings, Colours

Our designs are not only shapes that we create, you can customize your product with different coatings and colours, even Hydro-dipping of a pattern of your liking and even better your own logo.

It all depends **on you**.

Your choices.

Chrome Coatings

Basic Chrome

(Code:BC)

Gold Chrome

(Code:GC)

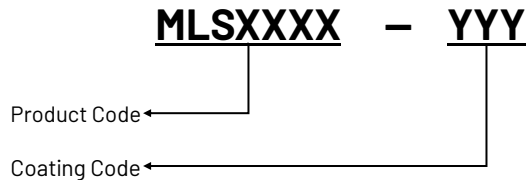

Rose Chrome

(Code:RC)

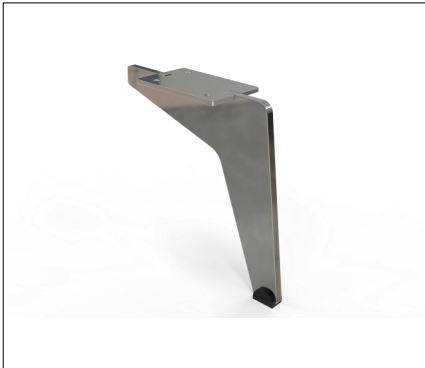

Deciding on a solid colour?

go on to www.ralcolor.com, and let us know with the format below;
